

Made in the USA Brands 2015 Summary

Thank you for your 2015 grant donation. Your support continues to fuel our awareness initiative of US manufacturers and the identification of their Made in USA products.

Results: Your 2015 grant allowed us to complete Phase 3 of the MadeInUSAbrand.com website.

- Language, graphics and function were changed throughout the site to include information about the new verification program.

- Developed and replaced language and graphics throughout the site with new language and graphics about the new verification program.

- Reinstated and updated e-commerce functionality to receive new members.

- Added new verification certification agreement, forms and e-commerce functionality. Program Highlights :

- Verification Program launched with GBQ Partners.

- 8 members participating in the Verification Program including Burley Clay Products and Homer Laughlin.

- Made in USA Brand and GBQ Partners were supporting partners of the 2016 National Hardware Show and judges of the American Manufacturing Awards. The custom glass awards were fabricated by Art of Fire Contemporary Glass Studio and showcased on MadeInUSAbrand.com and nationalhardwareshow.com. The awards were presented May 5th in Las Vegas
